

ACKNOWLEDGEMENTS

The authors thank the Sarawak Biodiversity Center (SBC) and the Forest Department (FD) of Sarawak for their cooperation during this study. The study was funded by a grant from Universiti Putra Malaysia; code: GP-IPM/2017/9538200, UPM/800/2/2/4 Grant Putra and Higher Education Malaysia, FRGS research grant code, 07-01-18-2044FR.
